Some twins look just like each other. Are twins alike in other ways? Stories about twins may help you to decide. One woman said she felt a strong pain in her chest. Later, she heard some terrible news. An airplane had crashed. Her twin sister died in the crash. The crash happened just at the moment the woman felt the pain. A twin named Robert felt a strong pain when his brother broke an ankle. A woman named Nancy felt labor pains when her twin sister gave birth to a baby. Her sister lived in another city. Twin brothers went to live with different families. This happened when they were babies. The twins did not meet for 39 years. Finally, they got together. They found out how much they were alike. Each twin had the same kind of job. Each twin had married a woman named Linda. Each twin had a dog with the same name.
