三、閱讀測驗〈請根據文意選出各題最適當之選項 10%〉

Some twins look just like each other. Are twins alike in other ways? Stories about twins may help you to decide. One woman said she felt a strong pain in her chest. Later, she heard some terrible news. An airplane had crashed. Her twin sister died in the crash. The crash happened just at the moment the woman felt the pain. A twin named Robert felt a strong pain when his brother broke an ankle. A woman named Nancy felt labor pains when her twin sister gave birth to a baby. Her sister lived in another city. Twin brothers went to live with different families. This happened when they were babies. The twins did not meet for 39 years. Finally, they got together. They found out how much they were alike. Each twin had the same kind of job. Each twin had married a woman named Linda. Each twin had a dog with the same name.

- ___21. This story is mainly about ____.

四、翻譯：請將下列文字譯成中文

1. Narcissus is an egotist from top to toe. He would pass the loveliest carelessly by, no matter how hard she tried to allure his attention. Heartbroken maidens meant nothing but eyesores to him. Even the sad case of the fairest nymphs, Echo, could not move him. Echo came under the displeasure of a mightier goddess who condemned her to repeat whatever said to her. She was only a bodiless shadow. <10%>
2. Thanks to journalists and photographers, you probably know all about your favorite star's love life and troubles. For many famous people, though, the word, *paparazzi* brings out feelings of fear and hatred. The term originally came from the name of an Italian movie character, Signor Papparazzo. He was a photographer who chased stars, and his last name meant "a buzzing insect." <10%>

五、簡答題：請**任選一題**以英文回應之，字數限於50-100字之間 <20%>

1. Whether fulfilled or not, wishes or daydreams play an important role in man's progress. Make a prediction about what your life will be like in ten years and elaborate your great expectation.
2. What would you do if you found out your friend cheated on a medical exam, and is now going to be a surgeon? Would you tell? Why or why not?
