Mary, Fay, Isabelle, Jean, Albert, Melissa, James, Sarah and Paul live together in a house in Los Angeles. They are a 1 and loving family that 2 the ups and downs of life. However, they are not 3 to each other. They are all just twenty to forty-year-old 4 who are good friends.

Jean and Albert even got married in their house's 5, but the rest are 6. The desire to create meaningful connections with 7 people put them together. They found that lives in the city are often limited to surfing the 8. They also wanted to make a 9 to their community by opening their door to 10 whose parents are busy. With so many people living far from where they grew up, families like this one may become a new fashion.

V. 英翻中 10%

Al Gore, the former US vice president and environmental activist, spoke about the details of companion concerts on six other continents. "I'm just so filled with enthusiasm and energy," Gore said in an interview.

Gore turned back criticism that the concert series lacked immediate goals beyond generally raising awareness about climate change. The concerts are just the first step in a three-year public relations campaign, he said.
